## 36th Annual Meeting of the European Bone and Joint Infection Society 7-9 September 2017, Nantes, France

### WELCOME

Dear colleagues,

It is a great honour to host and organise the 36th Annual Meeting of the European Bone and Joint Infection Society in Nantes, France, 7-9 September 2017.

The conference will be held in the La Cité – Nantes Events Center in France. Nantes is an appealing and varied destination with an architectural, historical and industrial heritage. There is a lot to see in the city, among others in the historic part of the city where you will find the 15th-century cathedral to the Château of the Dukes of Brittany, which is now a museum of regional history.

The conference will bring together experts, practitioners and companies involved in infections affecting bone and joint. Professionals attending the conference will benefit from high-level scientific presentations, knowledge sharing and networking opportunities. The scientific programme will be provided with keynote lectures, free paper sessions, industry symposia and posters.

The principle topics for EBJIS 2017 are:

- New strategies and biotechnologies in MSI
- The « aseptic » joint arthroplasty revision: From Prosthetic Joint Infection misdiagnosis to excessive antibiotic treatment
- Pediatric and adult osteoarticular oncologic surgeries - Infection management: Where are we?
- Low grade infections with rare and multidrug resistant pathogens
- Shoulder protheses and osteosynthesis: Management of the osteoarticular infections
- State of the art: Diabetic foot osteomyelitis
- Prosthetic Joint Infection in elderly people

We hope the scientific programme will be of value to increase your knowledge, improve your future clinical work and build your friendships in the Society.

We look forward to welcoming you to Nantes.

On behalf of the local organising committee and EBJIS board,

Gérard Giordano, *Local chair*

Klaus Kirketerp-Møller, *President of EBJIS*

## OTHER SPONSORSHIP OPPORTUNITIES

### SATELLITE SYMPOSIUM

**SOLD OUT**

Boost your company's exposure and brand recognition and present your clinical data by hosting a Satellite Symposium. Contact us for information about time slots.

- Leaflet / folder announcing the Satellite Symposium (produced by the sponsoring company) in the conference bag.

### FOCUS GROUP

**(1.5 hours) – € 9,500**

Focus groups give companies a chance to ask experts/key opinion leaders their opinion in a closed forum and are interesting for companies, who:

- Are about to launch a new product
- Are new to the European market and need feedback on their existing products
- Would like to establish contact to key opinion leaders
- Are interested in feedback on products or clinical studies

A focus group at EBJIS 2017 has the advantage that you do not need to fly in and accommodate a group of 8-10 persons, as all key opinion leaders are present at the conference. This makes the focus group a cost effective tool to get feedback and promote your product towards key opinion leaders.
